

## An invitation for you to join the aotearoa new zealand evaluation association (**anzea**)

**anzea** was established in August 2006 to advocate for the needs of evaluation practitioners of all kinds, to support their professional development and to promote safe and high quality evaluation services to the communities of Aotearoa New Zealand.

### **anzea's Strategic Vision**

*To build **anzea** as the voice of evaluation – promoting evaluative thinking and action in the unique bi-cultural and multi-cultural context of Aotearoa New Zealand*

**anzea's** key goals for evaluation in Aotearoa New Zealand are:

- ▲ To promote and facilitate the development of evaluation practices and standards
- ▲ To promote excellence in evaluation
- ▲ To facilitate debate and exchange of ideas and dissemination of knowledge
- ▲ To recognize outstanding contributions to evaluation

**anzea** is a not for profit organisation, supported by a national executive Board and regional Branch committees. Its success continues through active participation from its members and stakeholders. **anzea** currently has active Branches in Auckland, Waikato/Bay of Plenty, Wellington/Lower North Island and Christchurch/Upper South Island.

### **Some great reasons to become a member of **anzea****

- \* Opportunities to network locally at Branch events
- \* Discounted attendance at the annual national Conference
- \* Participate in regular low-cost and free professional development workshops and seminars
- \* Receive regular informational updates, job/contract opportunities, and member newsletters via email
- \* Access the **anzea** website for information about relevant conferences and events internationally and other evaluation resources
- \* Opportunities to become involved in a number of new **anzea** initiatives under way
- \* Contribute to the dynamic future of evaluation in Aotearoa New Zealand
- \* **anzea** is celebratory and fun to be part of!

Please visit our website [www.anzea.org.nz](http://www.anzea.org.nz) for additional information.
