

Collaborative review design

A collaborative process

The fortitude for change

- Resilient critique
- Effective border crossing

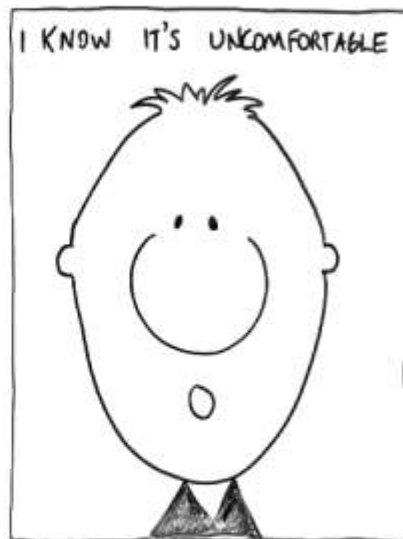

"We look for people who can quickly adapt to changes in the workplace."

Movement beyond self

- Joint endeavour
- Dynamic change

Cultural complexities

- *Thinking across borders*

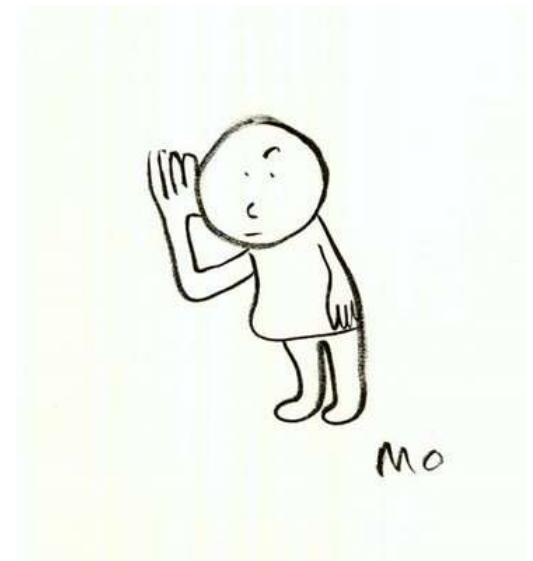

Negotiating boundaries

Tensions and paradoxes

Designing the approach

- Listen
- Conversation IS the relationship
- Be present

Treading softly

- Walking the path together
- And telling it like it is

Long, long ago the mighty Māori mariners discovered Aotearoa. There were seven waka travelling together...

Kupe made it to Aotearoa leading the seven waka!
I really want to be Kupe -
but I'm a little boy in Room 2!
Maybe one day I will be
a mighty mariner... By
Angelo.
